

4 YEAR NATIONWIDE WARRANTY*

This Warranty is designed to help reduce the financial impact of unexpected and potentially expensive mechanical repairs to your Caravan. Your Caravan will be covered by a 4 Year Nationwide Warranty which incorporates the following:

1 YEAR MANUFACTURER WARRANTY / 3 YEAR EXTENDED WARRANTY

1 YEAR MANUFACTURER WARRANTY

Salute Caravans warrants that, for a period of one year from the date the Caravan is handed over to the purchaser, all parts of the manufacture and assembly of the product carried out by the manufacturer that are found to be defective in workmanship or materials will be repaired or replaced without charge to the purchaser.

Under this warranty, the purchaser is covered against any structural failure to the Caravan including the chassis, walls, furniture, roof, electrical & plumbing.

Our obligations

Salute Caravans will process any claim made by the purchaser within twenty-one (21) days of receipt and either accept or decline the claim under this Warranty. Exceptions may apply during annual factory closures.

Purchaser's obligations

- The purchaser must ensure that a 1,000 kilometre Inspection service is carried out by a qualified service agent, followed by regular servicing in accordance with the manufacturer's handbook at intervals not to exceed twelve (12 months) or 10,000km from the commencement date, whichever occurs first. An allowance of no more than 30 (thirty) days or 500 (Five Hundred) kilometres beyond the stated intervals will be accepted.
- The purchaser must take all reasonable precautions to minimise damage to the Caravan, and must not continue to operate the Caravan if a fault or damage is reasonably suspected.
- In the event of a claim within the warranty period, the purchaser should contact their Dealer immediately after any fault becomes apparent & prior to carrying out any repair or rectification. Any claim for reimbursement for repairs carried out without prior authorisation may be denied and may render the warranty invalid.
- In the event that parts are required to be replaced under Warranty, the purchaser is required to return the faulty item to Salute Caravans or an authorised Dealer before a replacement part will be provided.
- It is the purchaser's responsibility to deliver the caravan to and from an authorised repairer in the event of a claim for inspection and testing. If such inspection and testing finds no defect in the caravan, the purchaser must pay Salute Caravans and/or its authorised Dealer the costs of service work, evaluation and testing (if any).
